Hello.

My name is Bob.

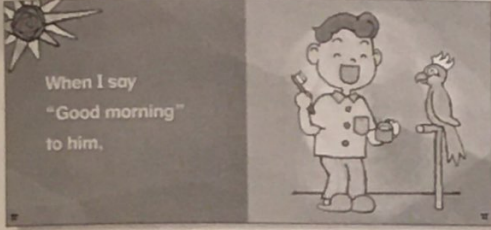

I have a new parrot.

He is very cute.

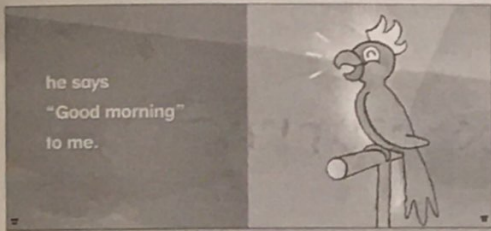

When I say  
"Good morning"  
to him,

When I say

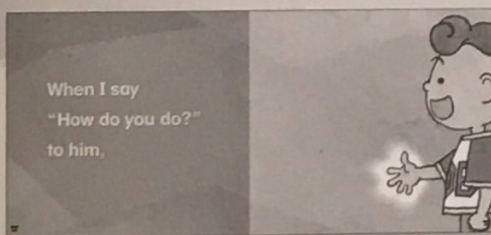

"Good morning" to him,

he says  
"Good morning"  
to me.

he says

"Good morning" to me.

When I say  
"How do you do?"  
to him,

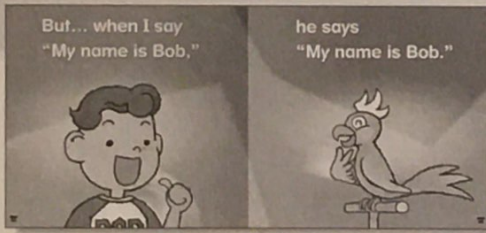

When I say

"How do you do?" to him,

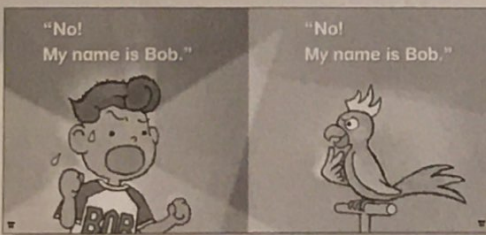

he says

"How do you do?" to me.

But... when I say "My name

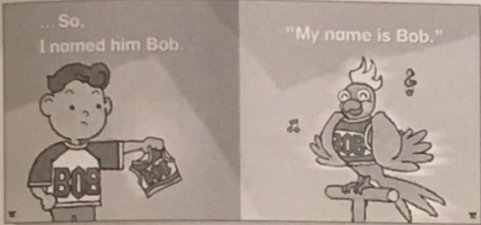

is Bob," he says "My name is Bob."

"No! My name is Bob."

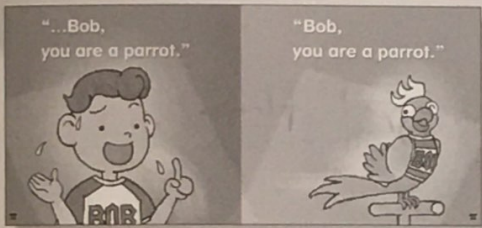

"No! My name is Bob."

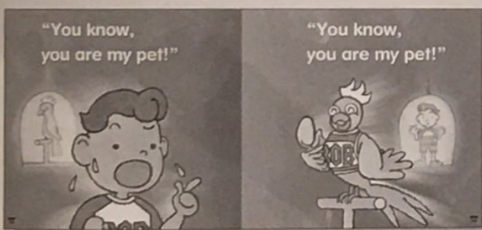

... So, I named him Bob.

"My name is Bob." (That's right.)

"... Bob, you are a parrot."

"Bob, you are a parrot."

"You know, you are my

pet!" "You know, you are my pet!"

Well, sometimes I don't

like Bob. "I don't like Bob."

But, we are pals!!

Let's color!
