For Windows10 Users

Using the Teacher's Manual and Class Cards CD-ROM with Windows10

Data contained in the Teacher's Manual and Class Cards CD-ROM are in PDF files and can be used with any operating system. However, Windows10 users need to change the app setting in order to open the PDF file. App setting can be changed within 1 to 2 minutes by following the steps below.

Changing the App Setting

① Click on the Windows logo at the bottom left of the screen.
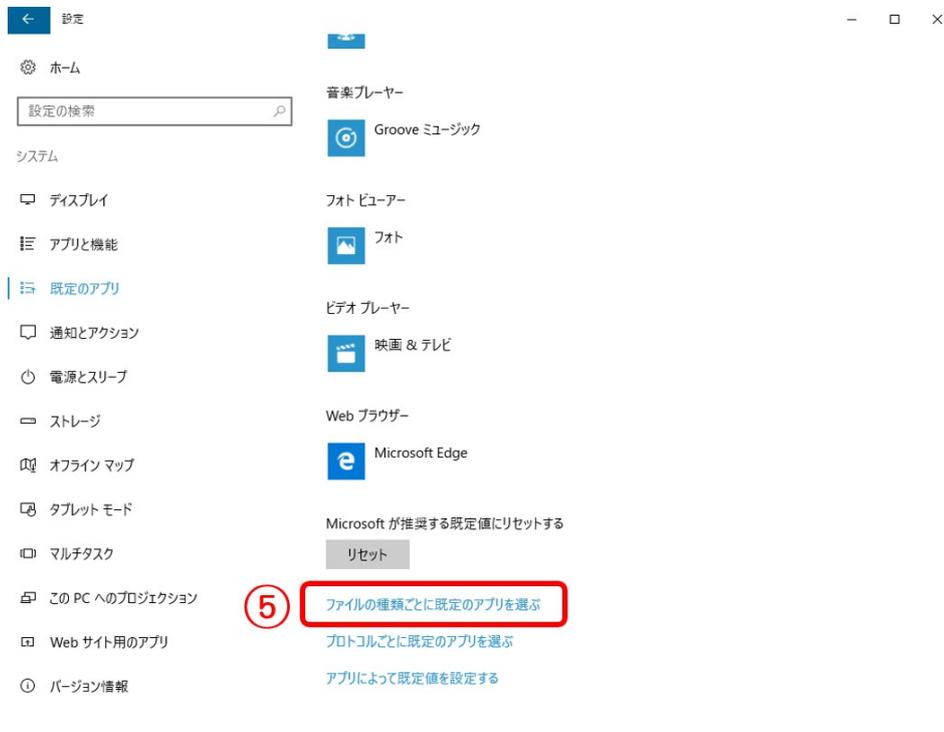

② Click on Settings.

③ Click on Apps

④ Click on **Default apps**.

⑤ Click on **Choose default apps by file type**.

⑥ Find ".pdf" from the left column and click on **Microsoft Edge** to its right.

⑦ Click on **Adobe Acrobat Reader DC**.

※ If you cannot find Adobe Acrobat Reader DC in the list of "Choose default apps by file type", it has not been installed. Download and install from the link below.

https://get.adobe.com/jp/reader/

Once Adobe Acrobat Reader DC is installed, go back to procedure ① and follow the instructions.

⑧ Setting is completed.

Start up the app and check to see if it runs successfully.
