自分のことを言ってみよう

生徒は自分の着ている服装の絵を選び、その色をぬります。

Have students find clothes they are wearing in the picture and color them accordingly.

絵の中に今日着ているものがない場合は、余白に描くよう指示します。

If they cannot find what they have on that day in the picture, have them draw it in the blank space.

★先生は、生徒が色をぬっている間、教室をまわりながら声掛けをします。

Go around the room while students are coloring and give encouragement.

T: Oh, your shirt is nice. What color is your shirt? / What colors are on your shirt? etc.

生徒達は1人ずつクラスの前に出て発表します。

Have students come up to the front of the class one at a time and give a presentation.

E.g., S: Today I am wearing a blue shirt, red pants, and brown socks.
