

Price Revisions

We would like to thank you for your continued support.

Due to the continued rise in paper and oil prices since last year, the ongoing depreciation of the yen, and the sharp rise in energy costs, we have decided to revise the prices of some of our products. We appreciate your understanding in this matter.

Date of price revision: From October 1, 2023

To our distributors and booksellers

Please inform customers who plan to continue to use the product at the current price before the price increase.

The new price will be effective **from the order form dated October 1 (Sun.)**, including e-mail and fax receipts.

The ISBN code will be changed to the new code in accordance with the price revision.
