

Learning World Audio App Overview

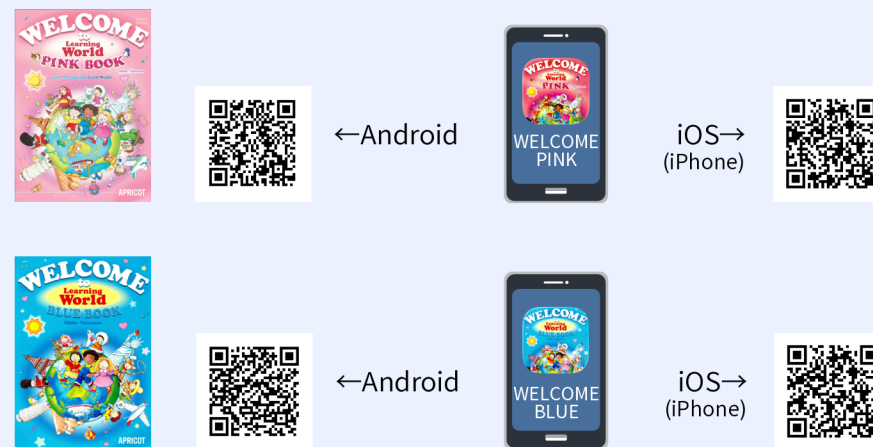

Scan the QR code with your device (smartphone or tablet) to install the app.
The app lets you play the textbook audio, with continuous and repeat playback.

QR-code textbooks:
Download the free **Pro App** to access the audio.

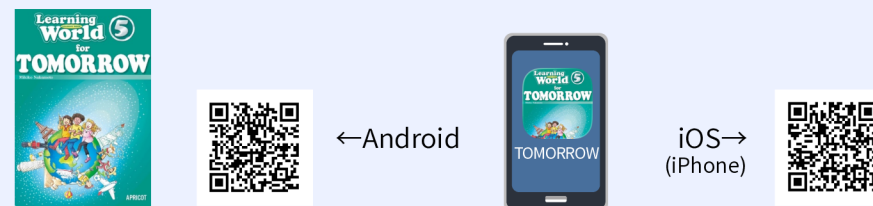

QR-code textbooks have a yellow label on the bottom left corner.

Audio for textbooks without QR codes is available for purchase. The app costs ¥500 (tax included) per volume.

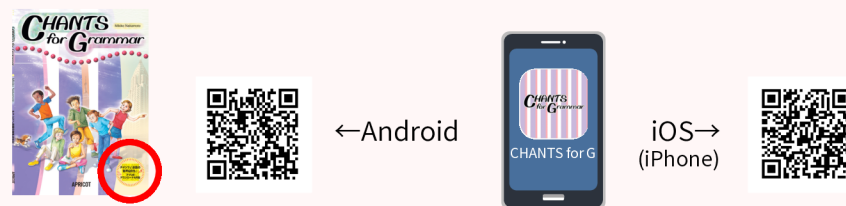

*WELCOME to Learning World BLUE will be released as a QR-code textbook in February 2026.

*Learning World Book 5 TOMORROW will be released as a QR edition in February 2026.

QR edition textbooks (from Spring 2026):
Use the free Pro App, not the paid apps above.

This sheet lists the QR codes for the audio apps for all textbooks. Please use it to inform parents and students (for handouts or classroom display).
Before installing a paid app, please make sure the textbook does not include an audio QR code.
